

# PERSON IN CHARGE 101

Control the Flow  
Ensuring Safe Food Practices in Your Operation

The State of Ohio food code requires that each operation has a Person-in-Charge (P.I.C.). This person must be knowledgeable about basic food handling practices and food safety techniques during all hours of operation

**PERSON-IN-CHARGE 101 is designed to prepare operators and food employees for this important role.**

Topics covered include sanitation, safe food practices, food-borne illnesses, Person-In-Charge responsibilities, and other related issues.

**Registration is \$25.00 and is open to the first 20 responders.**

Each person will receive three hours of instruction and a color edition of our Control the Flow food safety manual.
