

**EXHIBIT A**  
**Greater Cleveland’s Plan to Eliminate Childhood Lead Poisoning by 2010**

**GOAL: TO INSTITUTIONALIZE LEAD AS A HOME SAFETY ISSUE AND INTEGRATE INTO THE HEALTHY HOMES CONCEPT TO ENSURE THE SUSTAINABILITY OF THE LEAD SAFE LIVING INITIATIVE**

**Component: Community Infrastructure and Sustainability**

**Objective 1: Establish an oversight entity that formally directs all resource identification, utilization, need prioritization and points of accountability in the community**

| <b>ACTIVITIES</b>   | <b>START- END DATE<sup>1</sup></b> | <b>PERSON/ PROGRAM RESPONSIBLE *<br/>see key</b>              |
|---|------------------------------------|---|
| <u>Activity 1:</u> Inform GCLAC of needs that requires legislative or advocacy support for lead poisoning elimination initiatives   | 1/2/08 – ongoing                   | GCLAC, LMM, CDPH, CCBH, CCOAL, EHW                            |
| <u>Activity 2:</u> Maintain a steering committee of 15 individuals representing all the stakeholders vested in addressing childhood lead poisoning prevention in the community. This steering committee will maintain formal by laws, officers and their terms. | 01/02/08 - ongoing                 | ALL PARTICIPANTS (see attachment for list of representatives) |
| <u>Activity 3:</u> Hold an annual public event for the entire GCLAC and key stakeholders to assure periodic updates to the community on progress in the Elimination Plan.   | 01/02/08- ongoing                  | GCLAC, CDPH   |

<sup>1</sup> “Start Dates” refer to the date on which a given activity will begin. “End Dates”, in most cases refer to the date by which a given activity will be up and running, rather than a termination date.

*Adopted 4/21/08*

**EXHIBIT A**

|  |                           |                                     |
|--|---------------------------|-------------------------------------|
| <p><u>Activity 4:</u> The GCLAC will inventory all community resources that are currently dedicated to eliminating lead poisoning. The Council will address any duplication of resources to maximize efficiency and impact. Inventory will be available via paper and web.</p> | <p>01/02/08 - ongoing</p> | <p>GCLAC, CCBH, CDPH</p>            |
| <p><u>Activity 5:</u> Support integration of lead services by engaging municipal building departments to adopt realistic inspections schemes</p>   | <p>01/02/08- ongoing</p>  | <p>GCLAC, CCBH, CDPH, CDBH, FSC</p> |
| <p><u>Activity 6:</u> Coordinate and convene a best practices seminar to explore models to institutionalizing leads-safety into municipal housing systems</p>  | <p>TBD</p>                | <p>GCLAC, CSU, HUD</p>              |

EXHIBIT A

**GOAL: INCREASE COMMUNITY AWARENESS AND CONCERN ABOUT LEAD POISONING**

**Component: Outreach and Advocacy**

**Objective 1: Parents, grandparents, or other child care providers in high-risk areas will have knowledge of lead poisoning prevention tools and resources, and their rights as patients and tenants.**

| ACTIVITIES  | START-END DATE  | PERSON/ PROGRAM RESPONSIBLE *<br>see key |
|---|---|--|
| <u>Activity 1:</u> Provide education and outreach to communities that have little or no knowledge of childhood lead poisoning.  | Develop Strategy by – 2/08<br>Implementation by- 3/08 | Outreach & Advocacy                      |
| <u>Activity 2:</u> Utilize the media to publicize the importance of lead poisoning prevention   | 01/08- ongoing  | GCLAC, Outreach & Advocacy, CDPH, CCBH   |
| <u>Activity 3:</u> Coordinate local prevention collaboratives in inner ring suburbs via faith-based communities.  | 01/08 – 12/08   | LMM                                      |
| <u>Activity 4:</u><br>Educate the community by providing classes and presentations at venues that people already attend (i.e. school parent groups, block clubs, tenant groups, realtor groups, business in-services, day care parent groups, etc.) | 01/08 – 12/08   | CCOAL                                    |
| <u>Activity 5:</u><br>Provide information to the community through public events and health fairs   | 01/08 – 12/08   | CCOAL                                    |

**EXHIBIT A**

|   |       |       |
|---|-------|-------|
| <u>Activity 6:</u><br>Provide information to the community by holding<br>Community Lead Poisoning Prevention Events | 01/08 | CCOAL |
| <u>Activity 7:</u><br>Increase visibility of lead prevention message in the<br>community                            | 01/08 | CCOAL |

EXHIBIT A

**GOAL: INCREASE COMMUNITY AWARENESS AND CONCERN ABOUT LEAD POISONING**

**Component: Outreach and Advocacy**

**Objective 2: Ensure that city, state, and federal elected officials representing high-risk areas in Greater Cleveland are aware of the dangers of lead poisoning, prevention efforts, and the remaining need for resources.**

| ACTIVITIES   | START-END DATE   | PERSON/ PROGRAM RESPONSIBLE *<br>see key |
|--|--|--|
| <u>Activity 1:</u> Identify and meet with state and local officials whose constituents are most highly affected by lead poisoning. | 1/08 – 9/08  | LMM, Outreach & Advocacy Subcommittee    |
| <u>Activity 2:</u> Participate in public hearings to identify lead poisoning as a local/state priority and advocate for funding.   | Implement as needed – ongoing                                  | LMM, Outreach & Advocacy Subcommittee    |
| <u>Activity 3:</u> Collaborate with other organizations promoting related issues to childhood lead poisoning.                      | Strategy begin 1/08<br>Implementation 2/08 – 3/08<br>(ongoing) | GCLAC, Outreach & Advocacy Subcommittee  |
| <u>Activity 4:</u> Promote the New Level of Awareness for lead poisoning to the Greater Cleveland community.                       | 01/08- ongoing   | GCLAC, Outreach & Advocacy               |
| <u>Activity 5:</u> Conduct outreach to federal officials from Northeast Ohio.  | Strategy and implementation<br>3/08 – 6/08                     | LMM, Outreach & Advocacy                 |
| <u>Activity 6:</u> Advocate for funding allocations to House Bill 248 during Ohio budget deliberations.                            | 01/08- ongoing   | LMM, Outreach & Advocacy                 |

**EXHIBIT A**

|   |   |                                     |
|---|---|-------------------------------------|
| <p><u>Activity 7:</u> Advocate for Cuyahoga County Health &amp; Human Services funding for lead initiatives.</p>  | <p>01/08-06/08</p>                            | <p>LMM, Outreach &amp; Advocacy</p> |
| <p><u>Activity 8:</u> Organize and implement countywide advocacy efforts to Ohio state representatives and senator for the prioritization of lead poisoning</p> | <p>01/08-ongoing</p>                          | <p>LMM, Outreach &amp; Advocacy</p> |
| <p><u>Activity 9:</u> Organize an “Action Day” bringing together affected constituents, advocates, and legislators.</p>   | <p>Strategy 4/08<br/>Implementation 10/08</p> | <p>Outreach &amp; Advocacy</p>      |

EXHIBIT A

**GOAL: INCREASE COMMUNITY AWARENESS AND CONCERN ABOUT LEAD POISONING**

Component: Outreach and Advocacy

Objective 3: Utilize countywide child-serving agencies to convey lead-safe messages and information

Evaluation Highlight: Measure enhanced lead-safety message provided by each agency, including number of contacts and quality of intervention

| ACTIVITIES   | START-END DATE   | PERSON/ PROGRAM RESPONSIBLE *<br>see key |
|--|------------------|--|
| <u>Activity 1:</u> Coordinate lead outreach and education with various County and City entities that reach homes regularly | 01/02/08-ongoing | Outreach & Advocacy Subcommittee         |

EXHIBIT A

**GOAL: INCREASE COMMUNITY AWARENESS AND CONCERN ABOUT LEAD POISONING**

**Component: Integration**

**Objective 1: Integrate Lead-Safe Practices into Community Development Departments and Housing Inspection Systems**

| ACTIVITIES  | START- END DATE     | PERSON/ PROGRAM RESPONSIBLE *<br>see key |
|---|---------------------|--|
| <u>Activity 1:</u> Coordinate use CDBG funded rehabilitation housing projects with Lead Hazard Control efforts                        | 02/01/08 – 03/01/08 | CDCD, CDPH                               |
| <u>Activity 2:</u> Standardize the lead-safe clearance processes for all completed rehabilitation projects                            | 02/01/08- ongoing   | CDCD, CDPH                               |
| <u>Activity 3:</u> Mandate appropriate lead-safe renovation training for all contractors working on housing rehabilitation contracts. | 06/01/08            | CDCD, CDPH                               |
| <u>Activity4:</u> Coordinate enforcement of housing and health code violations where relevant to address issues of lead safety.       | 02/01/08- ongoing   | CDPH, CDBH                               |
| <u>Activity 5:</u> Coordinate prosecutions of housing and health code violations where relevant to address issues of lead-safety.     | 06/01/08- ongoing   | CDPH, CDBH, CHCD                         |
| <u>Activity 6:</u> Set goals for number of lead-safe projects and housing related prosecutions of lead paint violations.              | 09/01/08            | CDPH, CDBH                               |
| <u>Activity 7:</u> Hire Integration Specialist for county-wide coordination of housing and health to address lead safety issues       | 03/01/08-04/01/08   | CCBH                                     |

**EXHIBIT A**

**GOAL: TO PROVIDE LEAD SAFETY OUTREACH TO BUILDING OWNERS REGARDING SAFE WORK PRACTICES, LEAD-SAFE MAINTENANCE, LEGAL REQUIREMENTS (E.G. DISCLOSURE, PERMITS, EBL INVESTIGATIONS, ETC.) THROUGH AWARENESS, COMPLIANCE ASSISTANCE, AND ENFORCEMENT ACTIVITIES**

**Component:** Environment and Housing

**Objective 1: Target high-risk communities to identify housing with significant lead hazards to prevent exposure**

| <b>ACTIVITIES</b>  | <b>START- END DATE</b> | <b>PERSON/ PROGRAM RESPONSIBLE *<br/>see key</b> |
|--|------------------------|--|
| <p><u>Activity 1:</u> Identify landlords, Community Development Corporations (CDCs), and remodelers in high risk communities via:</p> <ul style="list-style-type: none"> <li>-Blood testing data to identify high-risk statistical planning areas</li> <li>- Housing Choice Voucher Program property list</li> <li>-Community Development countywide multi-family dwelling database</li> </ul>                                       | 01/02/08 – 03/01/08    | EHW, CTO   |
| <p><u>Activity 2:</u> Build capacity within Community Development Corporations for outreach to landlords and remodelers</p> <ul style="list-style-type: none"> <li>- Use CDCs organizing staffs to encourage lead-safety in its regular communications with residents through block club and other avenues</li> <li>-Support the development of Clearance Technician capabilities at CDCs as a possible source of revenue</li> </ul> | 04/01/08-09/01/08      | Environment & Housing Subcommittee, CDPH, CTO    |

EXHIBIT A

**GOAL: TO PROVIDE LEAD SAFETY OUTREACH TO BUILDING OWNERS REGARDING SAFE WORK PRACTICES, LEAD-SAFE MAINTENANCE, LEGAL REQUIREMENTS (E.G. DISCLOSURE, PERMITS, EBL INVESTIGATIONS, ETC.) THROUGH AWARENESS, COMPLIANCE ASSISTANCE, AND ENFORCEMENT ACTIVITIES**

**Component: Environment and Housing**

**Objective 2: Broad awareness and education of landlords on lead poisoning**

| ACTIVITIES  | START- END DATE   | PERSON/ PROGRAM RESPONSIBLE *<br>see key       |
|---|-------------------|--|
| <u>Activity 1:</u> Promote Essential Maintenance Practices and Lead Maintenance Certificates as means for property owners to reduce liability and protect children. | 01/02/08- ongoing | Environment & Housing Subcommittee, CDPH       |
| <u>Activity 2:</u> Inform pre-1978 property owners of the importance of maintaining lead based paint intact and consequences of failing to do so.                   | 01/02/08- ongoing | Environment & Housing Subcommittee, CDPH, CCBH |
| <u>Activity 3:</u> Work with local landlord associations and address fears surrounding lead related issues.   | 01/02/08-ongoing  | Environment & Housing Subcommittee, CTO        |

EXHIBIT A

**GOAL: TO PROVIDE LEAD SAFETY OUTREACH TO BUILDING OWNERS REGARDING SAFE WORK PRACTICES, LEAD-SAFE MAINTENANCE, LEGAL REQUIREMENTS (E.G. DISCLOSURE, PERMITS, EBL INVESTIGATIONS, ETC.) THROUGH AWARENESS, COMPLIANCE ASSISTANCE, AND ENFORCEMENT ACTIVITIES**

**Component: Environment and Housing**

**Objective 3: Focus education and compliance assistance for owners of high risk properties on lead safety**

| ACTIVITIES   | START- END DATE   | PERSON/ PROGRAM RESPONSIBLE *<br>see key                 |
|--|-------------------|--|
| <u>Activity 1:</u> Develop focus group of landlords to identify root causes of fears and ways to address them.   | 04/01/08-06/01/08 | CTO, Environment & Housing Subcommittee                  |
| <u>Activity 2:</u> Train pre-1978 property owners in lead-safe renovation.   | 02/01/08- ongoing | CDPH, CCBH   |
| <u>Activity 3:</u> Develop and distribute “Best Practices” resources for landlords including financial, educational, legal resources relating to lead poisoning. | 04/01/08- ongoing | Environment & Housing Subcommittee, CDPH, CCBH, CTO, EHW |

EXHIBIT A

**GOAL: TO PROVIDE LEAD SAFETY OUTREACH TO BUILDING OWNERS REGARDING SAFE WORK PRACTICES, LEAD-SAFE MAINTENANCE, LEGAL REQUIREMENTS (E.G. DISCLOSURE, PERMITS, EBL INVESTIGATIONS, ETC.) THROUGH AWARENESS, COMPLIANCE ASSISTANCE, AND ENFORCEMENT ACTIVITIES**

Component: Environment and Housing

**Objective 4: Increase enforcement of health and housing codes that relate to lead**

| ACTIVITIES   | START- END DATE    | PERSON/ PROGRAM RESPONSIBLE *<br>see key                                |
|--|--------------------|---|
| <u>Activity 1:</u> Increase Elevated Blood Lead Level Investigation enforcement<br>- Lead Hazard Control orders issued<br>- Housing prosecutions filed   | 01/02/08- ongoing  | CDPH, CDBH  |
| <u>Activity 2:</u> Promote lead safe demolition and deconstruction for vacant properties   | 01/02/08- ongoing  | CDPH, Environment & Housing Subcommittee                                |
| <u>Activity 3:</u> Link multiple poisoning property list with demolition list  | 07/01/08-09/01/08  | CDPH, Environment & Housing Subcommittee, EHW                           |
| <u>Activity 4:</u> Promote housing code enforcement for structures issues related to lead hazards (moisture, paint conditions, etc.)   | 02/01/08- ongoing  | CDPH, Environment & Housing Subcommittee                                |
| <u>Activity 5:</u> Seek legislation to address lead hazards related to abandoned and foreclosed property<br>- Enable health departments to inspect for lead hazards<br>- Notate the property deed with results of lead risk assessment | 04/01/08- 12/31/08 | Environment & Housing, Outreach & Advocacy Subcommittee, LMM, CDPH, CTO |

**EXHIBIT A**

|  |                           |   |
|--|---------------------------|---|
| <p><u>Activity 6</u>: Use disclosure surveys to identify non-compliant landlords for possible prosecution</p> <ul style="list-style-type: none"><li>- Pursue prosecution and/or compliance assistance for identified non-compliant landlords</li></ul> | <p>03/31/08- 12/31/08</p> | <p>CTO, EHW, Environment &amp; Housing subcommittee</p> |
|--|---------------------------|---|

EXHIBIT A

**GOAL: MAXIMIZE UTILITY AND EFFICIENCY OF LEAD WORKFORCE**

Component: Workforce

**Objective 1: Improve enforcement of HB 248 and City Ordinance (focusing on high-risk zip codes and traditionally non-compliant landlords) to increase demand for lead abatement contractors.**

| <b>ACTIVITIES</b>  | <b>START- END DATE</b> | <b>PERSON/ PROGRAM RESPONSIBLE</b><br><b>* see key</b> |
|--|------------------------|--|
| <u>Activity 1:</u> Create registry of lead-safe/lead-free housing  | 01/02/08- ongoing      | CDPH, CCBH, CTO  |
| <u>Activity 2:</u> Develop and maintain a database listing of EMP clearance exams complete on pre '78 properties | 04/01/08 - ongoing     | CDPH, CDCD, CCBH                                       |

EXHIBIT A

**GOAL: MAXIMIZE UTILITY AND EFFICIENCY OF LEAD WORKFORCE**

**Component: Workforce**

**Objective 2: Improve network of lead abatement contractors who are willing, licensed and able to address lead hazards (as identified through risk assessments) at an affordable price to low and middle-income residents of Greater Cleveland**

| ACTIVITIES   | START- END DATE     | PERSON/ PROGRAM RESPONSIBLE *<br>see key |
|--|---------------------|--|
| <u>Activity 1:</u> Develop funds to help offset costs of abatement/remediation.  | 3/31/08-ongoing     | CDPH, CDCD, CCBH                         |
| <u>Activity 2:</u> Research and provide incentives to licensed contractors providing affordable services in low and middle-income, high-risk neighborhoods.        | 3/30/08-ongoing     | CDPH, CDCD, CCBH                         |
| <u>Activity 3:</u> Create a resource guide listing licensed risk assessors, contractors, etc.  | 1/31/08-ongoing     | CTO, EHW, LMM                            |
| <u>Activity 4:</u> Develop mechanism to identify lead abatement contractors who are willing to take low cost jobs (less than \$10,000)                             | 02/01/08 – 04/30/08 | GCLAC                                    |
| <u>Activity 5:</u> Promote low cost lead abatement contractor list to community organizations, housing court staff, and entities that deal with the general public | 04/30/08 – ongoing  | GCLAC, CDPH, CCBH                        |

EXHIBIT A

**GOAL: MAXIMIZE UTILITY AND EFFICIENCY OF LEAD WORKFORCE**

**Component: Workforce**

**Objective 3: Ensure that there are substantial lead workers (all disciplines) in Greater Cleveland**

| ACTIVITIES   | START- END DATE      | PERSON/ PROGRAM RESPONSIBLE *<br>see key             |
|--|----------------------|--|
| <u>Activity 1:</u> Provide free or low-cost training opportunities in disciplines where workforce is lacking   | 01/31/08-12/31/08    | GCLAC, CDPH, CCBH                                    |
| <u>Activity 2:</u> Implement training model to train lead workers, targeted to workers without an extensive work history or recently displaced workers | 02/01/08 and ongoing | Workforce Development Subcommittee                   |
| <u>Activity 3:</u> Research and apply for grant funding to support training courses.   | 01/01/08 - ongoing   | Workforce Development Subcommittee, CDPH             |
| <u>Activity 4:</u> Develop a list of lead abatement contractors who are in need for workers (specific by discipline)                                   | 01/02/08 – 02/28/08  | Workforce Development Subcommittee, CDPH, CDCD, CCBH |

EXHIBIT A

**GOAL: MAXIMIZE UTILITY AND EFFICIENCY OF LEAD WORKFORCE**

**Component: Workforce**

**Objective 4: Provide education and training in the private sector for relevant areas related to lead poisoning**

| ACTIVITIES  | START- END DATE     | PERSON/ PROGRAM RESPONSIBLE *<br>see key   |
|---|---------------------|--|
| <u>Activity 1:</u> Train housing contractors, paint sellers, rehabilitation material and painters to address lead-safety in their work practices.   | 2/28/08 and ongoing | CDCD, CDPH, CCBH, with assistance from training contractor, NPCA                     |
| <u>Activity 2:</u> Train property management firms and owners in Lead-Safe issues.  | 3/31/08 and ongoing | CDCD, CDPH, CCBH, with assistance from training contractor, NPCA                     |
| <u>Activity 3:</u> Recruit and train more lead abatement contractors to fill need.  | 1/02/08 and ongoing | CDPH, CDCD, CR, CDBH, LMM, CCCA, CTO, with assistance from training contractor, NPCA |
| <u>Activity 4:</u> Set specific goals for number of contractors reached in each field and number trained as well.                                   | 1/02/08-3/31/08     | CDPH, CDCD, CDBH, CCBH   |
| <u>Activity 5:</u> Create and promote follow up educational program for private sector homeowners receiving lead abatement/home renovation services | 06/01/08 – 12/31/08 | Workforce Development subcommittee   |

EXHIBIT A

GOAL: MAXIMIZE UTILITY AND EFFICIENCY OF LEAD WORKFORCE

Component: Workforce

**Objective 5: Substantially increase contractors and residential construction/renovation workers in Greater Cleveland have participated in one-day lead-safe renovation class.**

| ACTIVITIES  | START- END DATE   | PERSON/ PROGRAM RESPONSIBLE *<br>see key |
|---|-------------------|--|
| <u>Activity 1:</u> Provide free one day training course in lead-safe renovation.  | 02/28/08- ongoing | CDPH, LMM, CCBH, CTO, EHW, NPCA          |
| <u>Activity 2:</u> Utilize networks including NARI, Painter's Union, etc. to market training classes and identify/access all contractors and residential construction/renovation workers. | 3/31/08-ongoing   | CDPH, NPCA, NARI, AFL-CIO                |

EXHIBIT A

**GOAL: MAXIMIZE UTILITY AND EFFICIENCY OF LEAD WORKFORCE**

**Component: Workforce**

**Objective 6: Pre-1978 property owners and personnel have received training in lead-safe renovation and essential maintenance practices.**

| <b>ACTIVITIES</b>  | <b>START- END DATE</b> | <b>PERSON/ PROGRAM RESPONSIBLE *<br/>see key</b>                                  |
|--|------------------------|---|
| <u>Activity 1:</u> Promote the incentives (i.e. re-buttable presumption) of completing essential maintenance practices, as outlined in HB 248 and City Ordinance | 04/01/08 and ongoing   | Workforce Development & Environment & Housing subcommittees, CDPH, CCBH, EHW, CTO |
| <u>Activity 2:</u> Develop mechanism for evaluating whether or not information learned in classes is being applied.  | 02/01/08               | CDPH, CCBH  |

EXHIBIT A

**GOAL: MAXIMIZE UTILITY AND EFFICIENCY OF LEAD WORKFORCE**

**Component: Workforce**

**Objective 7: Ensure that, to the greatest extent possible, low-income and minority residents of the neighborhoods that lead poisoning most gravely affects, receive job training and economic opportunities in relationship to local lead poisoning prevention activities.**

| ACTIVITIES  | START-END DATE  | PERSON/ PROGRAM RESPONSIBLE *<br>see key  |
|---|---|---|
| <p><u>Activity 1:</u> Promote training services through social service agencies/lead educational resources working with target population.</p> <p><u>Activity 2:</u> Encourage formation of new businesses specializing in lead work and including an apprenticeship/job development component.</p> | <p>03/01/08 and ongoing</p> <p>06/01/08 -12/31/08</p> | <p>Workforce Development Subcommittee, LMM</p> <p>Workforce Development Subcommittee, LMM</p> |

EXHIBIT A

**GOAL: MAXIMIZE UTILITY AND EFFICIENCY OF LEAD WORKFORCE**

Component: Workforce

Objective 8: Ensure that lead contractors are trained in other “healthy homes” practices.

| <b>ACTIVITIES</b>   | <b>TIME FRAME</b>   | <b>PERSON/ PROGRAM RESPONSIBLE *<br/>see key</b> |
|---|---------------------|--|
| <u>Activity 1:</u> Research and promote incentives for lead contractors that participate in other healthy homes training courses. | 09/01/08 – 12/31/08 | Workforce Development Subcommittee, EHW          |

**EXHIBIT A**

**GOAL 1: ALL CHILDREN AT RISK OF LEAD POISONING ARE TESTED APPROPRIATELY**

**Component: Medical**

**Objective 1: Increase lead screening of children <72 months at risk of lead poisoning**

| <b>ACTIVITIES</b>   | <b>TIME FRAME</b> | <b>PERSON/ PROGRAM RESPONSIBLE *<br/>see key</b>                           |
|---|-------------------|--|
| Activity 1: Utilize created materials to continue community education and publicity campaign to inform parent about the dangers of lead exposure and need for lead screening. | 1/1/08-12/31/08   | CDPH, CCBH, LMM, CCOAL, EHW, Medical and Outreach & Advocacy subcommittees |
| Activity 2: Provide revised Medical Management chart and “special considerations for Cuyahoga County” to all providers.   | 6/30/08           | Medical Subcommittee, ODH, CCBH, CDPH                                      |
| Activity 3: Provide education to inform providers of current blood lead screening requirements, effects of lower lead exposure, and follow-up guidelines                      | 1/1/08-12/31/08   | CCBH, Poison Control Center, CDPH, Medical Subcommittee                    |
| Activity 4: Assess screening rates among providers and eliminate barriers for those with the lowest rates   | 12/31/08          | MHMC, CCBH, Poison Control Center, CDPH, Medical subcommittee, OJFS        |
| Activity 5: Collaborate with Medicaid HMOs to ensure the testing of Medicaid eligible children < 36 months  | 01/01/08-ongoing  | Medical Subcommittee, CCBH, CDPH   |
| Activity 6: Collaborate with type A and B childcare providers in high risk areas to provide lead screening  | 01/01/08-ongoing  | CDPH, CCBH, Medical Subcommittee   |

EXHIBIT A

**GOAL 2: ALL CHILDREN WITH LEAD LEVELS 5 µg/dL RECEIVE PROPER FOLLOW-UP MANAGEMENT**

Component: Medical

**Objective 1: Increase follow-up testing rates of children with blood lead levels ≥ 5 µg/dL**

**Objective 2: Increase collaboration of healthcare providers and health departments to address lead poisoning in children and hazards in homes.**

| ACTIVITIES  | TIME FRAME       | PERSON/ PROGRAM RESPONSIBLE *<br>see key   |
|---|------------------|--|
| Activity 1: Provide notification of WIC lead test results to providers and parents  | 6/30/08          | ODH, WIC, CCBH, CDPH, Medical Subcommittee   |
| Activity 2: Promote sharing of childhood lead level information between local health departments  | 01/01/08-ongoing | CDPH, CCBH, LKHD, SHHD   |
| Activity 3: Encourage blood lead laboratories to set interventions guidelines at ≥ 5 µg/dL with medical guidance in physician reporting | 6/30/08          | Medical Subcommittee, UH, MetroHealth Medical Center, Cleveland Clinic, CDPH, CCBH |

EXHIBIT A

**GOAL 3: HEALTHCARE PROVIDERS PROVIDE PREVENTION EDUCATION TO PARENTS/GUARDIANS OF CHILDREN AT RISK OF LEAD POISONING**

Component: Medical

Objective 1: Increase primary prevention education by providers to parents

| ACTIVITIES   | TIME FRAME       | PERSON/ PROGRAM RESPONSIBLE *<br>see key                           |
|--|------------------|--|
| Activity 1: Promote direct reporting of EBLs received by medical providers to local health departments                       | 01/01/08-ongoing | CDPH, CCBH, LKHD, SHHD   |
| Activity 2: Provide education to Ob/Gyns about anticipatory guidance including nutritional supplementation in pregnant women | 12/31/08         | Medical subcommittee, MetroHealth Medical Center, UHHC, CDPH, CCBH |
| Activity 3: Provide ongoing education to providers about the effects of lower level of lead exposure                         | 1/1/08-12/31/08  | Medical Subcommittee, CCBH, CDPH, Poison Control Center            |

**EXHIBIT A  
PLAN IS STILL IN DEVELOPMENT**

**GOAL: TO MAXIMIZE EARLY CHILDHOOD EDUCATION TO COUNTER THE EFFECTS OF CHILDHOOD LEAD POISONING**

**Component: Education**

**Objective 1: TBD**

**Evaluation Highlight: TBD**
