Even with the recent expansion of the Children's Health Insurance Program, 5 million children remain uninsured. And if states continue to cut funding in this tight economy, millions more will inevitably join them. America needs national reform. Let's make sure all children get the health coverage and care they deserve.

Transportation from Cleveland will be provided. A bus will leave from **Mount Sinai Baptist Church, 7510 Woodland Avenue**, at **6:30am** and will return to Mount Sinai following the event.
